

2009 McDonald's® MAC Grants

MAKE ACTIVITIES COUNT

MAC Grants can help you Make Activities Count for your students.

McDonald's knows how hard you work to create stimulating lesson plans. But we also know there are many other activities you'd love to include, if only the budget allowed.

MAC Grants can help.

This program, sponsored by local McDonald's restaurants and endorsed by the Ohio State Teachers Association, provides up to \$500 for meaningful, hands-on activities to enhance the learning process for students in Kindergarten thru eighth grades.

Make a science lesson come alive by building a weather station or add flavor to a history class with a Medieval Fair.
